**Subject: Request for Qualifications (RFQ) - Large Hangar Design to Support MRO Operations for Widebody Aircraft (e.g., Boeing 777, 767, and Airbus A330) at Salina Regional Airport**

The Salina Airport Authority is delighted to invite your firm to submit a proposal for the design and development of a large hangar facility tailored to support Maintenance, Repair, and Overhaul (MRO) operations specifically for widebody aircraft, such as the Boeing 777, 767, and Airbus A330. This Request for Qualifications (RFQ) describes our requirements and expectations for this project.

1. **Project Overview:** The Salina Regional Airport is proactively extending its facilities to meet the burgeoning demands of our MRO operations. The project centers on the creation of a large hangar complete with the essential infrastructure to service a minimum of two (2) widebody aircraft simultaneously, encompassing commercial airliners like the Boeing 777, 767, and Airbus A330.

  - [SLN North Ramp Development Study](#)
  - [FAA NEPA CATEX Determination](#)
2. **Scope of Work:** The selected firm will be responsible for furnishing architectural and engineering services for the design of the specialized hangar facility. This comprehensive scope encompasses, but is not restricted to, the following:
  - Conceptual Design and Schematic Design
  - Design Development and Construction Documents
  - Structural and Mechanical Design
  - Electrical and Lighting Design
  - Fire Protection and Safety Systems
  - Environmental Considerations
  - Cost Estimations
3. **Proposal Requirements:** In your proposal, please present the following information:

- Company Profile and Experience
- Past involvement in similar projects
- Proposed project timeline
- Approach to the project
- Preliminary design concepts or initial ideas

4. **Deadline for Submissions:** Please submit your RFQ response no later than 5:00 p.m., (CT) December 6<sup>th</sup>, 2023, to Timothy F. Rogers, A.A.E, Salina Airport Authority Executive Director via email to [trogers@salair.org](mailto:trogers@salair.org) with a copy to [wings@salair.org](mailto:wings@salair.org)

5. **Evaluation Criteria:** The Salina Airport Authority will assess the submittals based on the following criteria and shortlisted firms will be invited for interviews and presentations.

- Experience and qualifications
- Project approach and timeline
- Proposed design concepts

6. **Questions:** If you have any questions or require further information, please contact Timothy F. Rogers at [trogers@salair.org](mailto:trogers@salair.org) or 785.342.1199

Interested consultants are requested to submit one (1) electronic copy (pdf format) of their statements of qualifications and experience to Mr. Timothy F. Rogers, A.A.E., Executive Director, Salina Airport Authority via email to [trogers@salair.org](mailto:trogers@salair.org) & [wings@salair.org](mailto:wings@salair.org) by **5:00 p.m. December 6th, 2023.** Statements received after this deadline will not be considered.

The Salina Airport Authority reserves the right to reject any or all submittals and to waive informalities and technicalities.
