RE: FTZ No. 161 General Zone Proposed Expansion

Dear Mr. Rogers:

The U.S. Customs Service, Wichita District, has no objection to the proposed expansion of the General Purpose Zone boundaries of Foreign Trade Zone No. 161 (Sedgwick County) to the proposed Saline County location at the Salina Municipal Airport and Salina Airport Industrial Center.

We will however require a site visit prior to activation of any site. All existing FTZ regulations and administrative requirements are to remain in force throughout the entire expansion process. We recommend that a representative from each site owner contact this office to discuss in advance the planned expansion of the General Purpose Foreign Trade Zone to their property and their planning on how they intend to accommodate requisite inventory documentation, regulatory compliance, and U.S. Customs.

Should you have any questions regarding this matter, please contact our office at (316) 946-9726.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel E. Bautista".
