

Salina Regional Airport and Airport Industrial Center Economic Impact Summary Report

February 2019

The Report

- Prepared by Preston Gilson, Ph. D., Senior Policy Fellow, Docking Institute of Public Affairs, Fort Hays State University.
- More than 100 businesses and organizations surveyed.
- Data collected from survey responses, private data sources, and public data sources.
- Calendar year 2017 is the most recent year for all available economic data.
- The economic impact model used was IMPLAN. IMPLAN software and its data base calculates appropriate industry level multipliers at the county level.
- Total economic activity is reported as gross regional product (GRP).
