

## **Get rewarded.**

PerksPlus is a complimentary corporate program designed to reward small- and mid-sized enterprises for business travel on United, United Express<sup>®</sup>, and our participating partners: Lufthansa, Austrian Airlines, Brussels Airlines, Swiss International Airlines and All Nippon Airways.

PerksPlus awards your company with valuable points every time your company's registered individual MileagePlus travelers choose flights operated by United, United Express and our participating partners for business travel. Also, your company can use an assigned PerksPlus unique company designator (Tour Code) on tickets booked and ticketed by a travel agent.

Discover how PerksPlus is making business travel more rewarding. For additional information and to sign up, please visit:
