**Agenda Item #5 – Review of Airport Activity and Financial Reports for the Month Ending August 31, 2019** (Rogers and Swanson)

**Airport Activity – Air Traffic** (Rogers)

The August 2019 air traffic count increased 12% to 5,520 operations as compared to the August 2018 total of 4,910. For the year-to-date a total of 51,467 operations have been recorded which is 18% more than the August 2018 YTD total of 43,575. Military operations and K-State Aviation flight training contributed to higher air traffic activity during August 2019. September 2019 will continue the trend with the start of a new semester for K-State Aviation flight training and the U.S. National Aerobatic Championships scheduled for September 21 – 27.

**Airport Activity – Fuel Flowage** (Rogers)

August 2019 fuel flowage totaled 645,834 gallons which was a 113% increase as compared to the August 2018 total of 303,273 gallons. For the year-to-date, total fuel flowage of 1,697,683 gallons is up 1% as compared to the August 2018 YTD total of 1,680,240 gallons. September through December 2019 fuel flowage will benefit from scheduled military cargo aircraft in support of Ft. Riley.

**Airport Activity – Passenger Counts** (Rogers)

For the month of August 2019, SkyWest reported 3,797 total passengers (1,876 enplaned and 1,921 deplaned) on United flights to Chicago and Denver. August 2019 total enplanements increased 17% as compared to the August 2018 total of 3,797. For the year-to-date a total of 12,850 passengers have boarded United/SkyWest flights at SLN, a 59% increase over the August 2018 YTD total of 8,067.

**Financial Reports – Comments and Notes (Swanson)**

August revenue had a boost reaching \$342,142 for the month and climbing to within 2% of budget projections for the YTD. With two significant short-term airfield customers during August (NASA and Jaded Thunder) purchasing fuel and leasing hangar space, the fuel flowage fees and hangar rent allowed airfield revenue to exceed budget by 14%

Total operating expenses for the YTD are tracking 5% under budget and our net income before depreciation arrived at \$66,639.

**Short-term leasing activity:**

The SAA entered into a ten-day lease agreement with the International Aerobatic Club for the utilization of Hangar 606 for the purpose of aircraft storage and activities associated with the 2019 US National Aerobatic Championships held Sept. 21-27. The agreement will generate \$14,400 in hangar revenue.

**Agenda Item #6 – Aerospace Workforce Recruitment Update.** (Rogers)

Salina Area Chamber of Commerce President and CEO, Eric Brown will attend the meeting and update the board on the workforce recruitment lines of effort that are being used to recruit workers for 1 Vision Aviation. The Chamber’s efforts on behalf of 1 Vision are in line with the Airport Authority and Chamber economic development services agreement and the Chamber’s Imagine Salina initiative.

**Agenda Item #8 – Terminal Building Requirements Study Update.** (Rogers)

Steve Benson with Coffman Associates will attend the meeting via a GoToMeeting video link to provide an update on the status of the terminal building study. Steve and his planners have been working to formulate the report’s passenger forecast which will guide the determination of future terminal building space requirements. The passenger forecast is a moving target since the United/SkyWest enplanements number continue to climb at a double-digit rate. Coffman will use data from like and similar airports that have also experienced rapid passenger growth that accompanies the introduction of regional jet service.

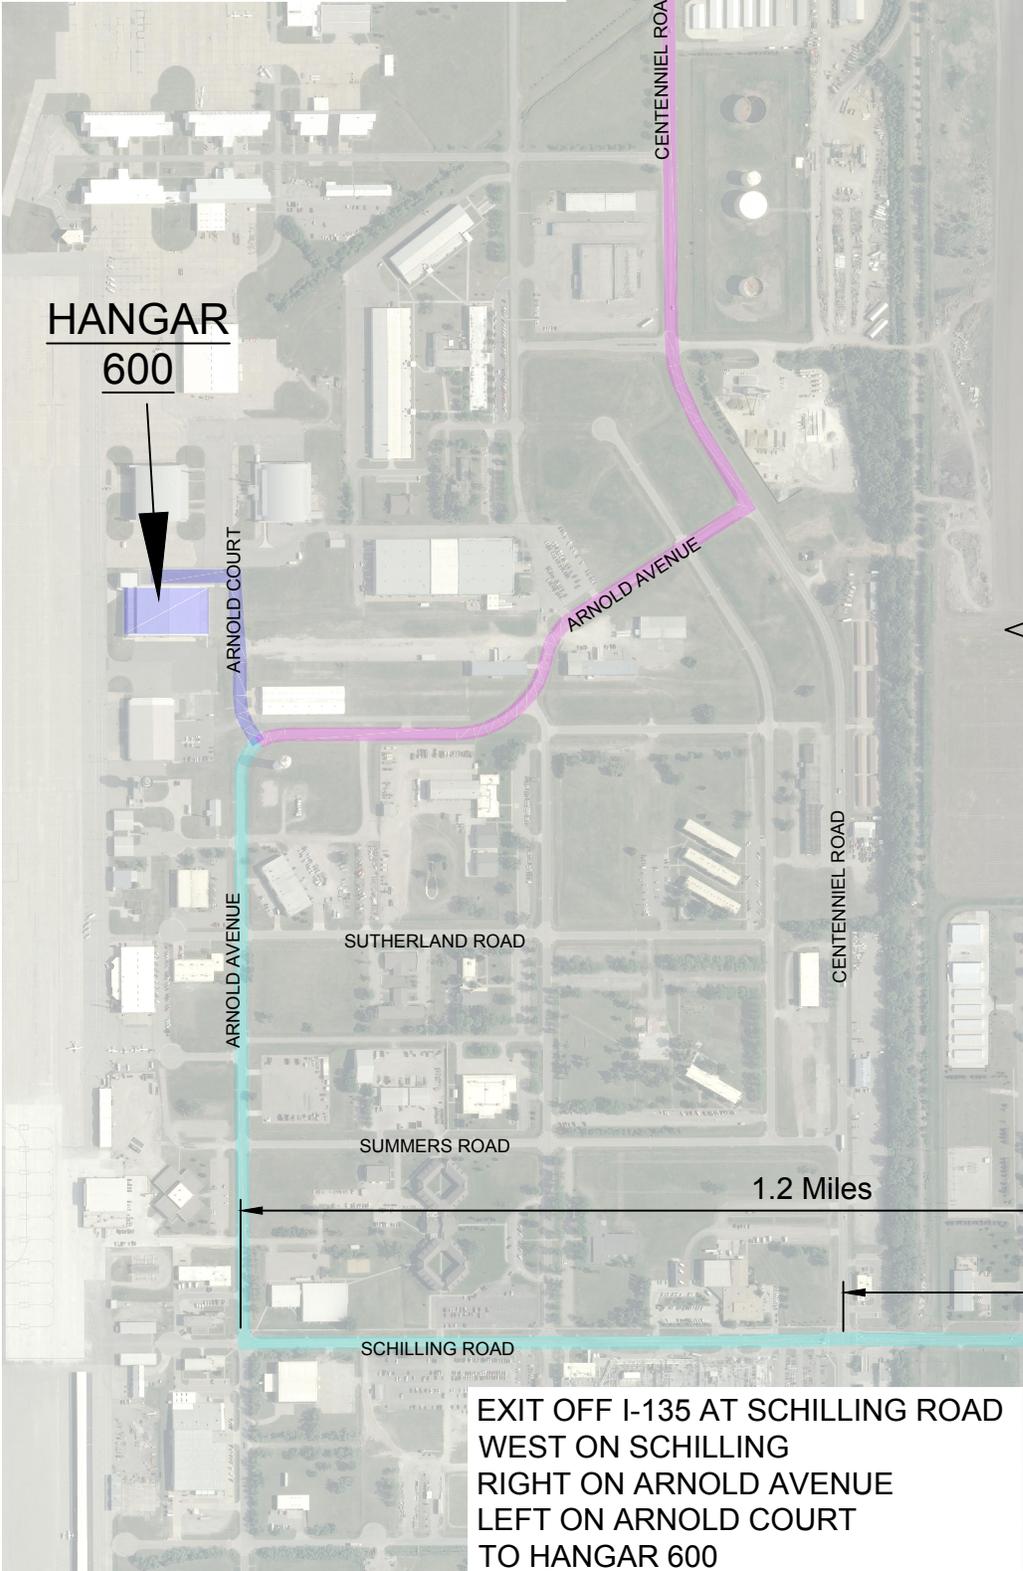

**Agenda Item #7 – Review of Projected 2020 Operating Revenue** (Rogers and Swanson)

At the meeting, Shelli and I will present the first draft of projected 2020 operating revenue. We are starting by forecasting all known 2020 operating revenue. As new and renewed leases are finalized through the remainder of 2019, 2020 revenue projections will be updated.

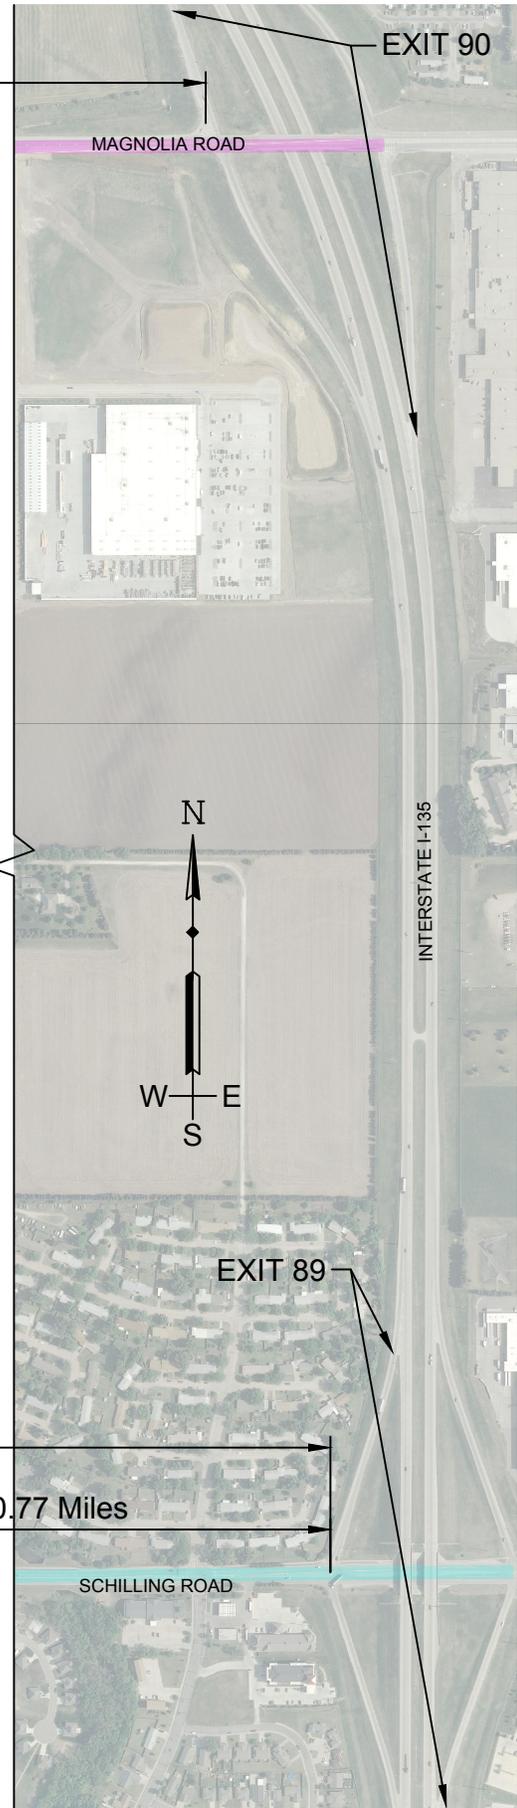

Please contact me if you have any questions or comments.
