

ADDENDUM NO. 1

Date: February 12, 2024
Project Name: Snow Removal Equipment (SRE) Acquisition
Owner: Salina Airport Authority
AIP Project No.: 3-31-0072-50-2024
3-31-0072-51-2024
Garver Project No. A17-2301558

This addendum shall be a part of the Plans, Contract Documents and Specifications to the same extent as though it were originally included therein, and it shall supersede anything contained in the Plans, Contract Documents, and Specifications with which it might conflict. This addendum, including all attachments, shall become part of the Contract and all provisions of the Contract shall apply thereto. The time provided for completion of the Contract has not been changed as noted in this addendum. Acknowledgement of receipt of this addendum must be noted in the appropriate section of the Bid Form and included with the Contract Documents.

A. ALERT

1. Bid opening date has been revised to 2:00 PM CT April 16, 2024. Submission procedures and bid opening location remains the same.

B. SPECIFICATIONS

1. Revise 010200 Instructions to Bidders as follows:
 - a. Revise paragraph 2 INTERPRETATIONS AND ADDENDA by deleting “*Any inquiry received forty-eight (48) hours*” and replacing with “*Any inquiry received seven (7) calendar days*”.
 - b. Revise paragraph 2 INTERPRETATIONS AND ADDENDA by deleting “*Every interpretation made to a Bidder will be in the form of an Addendum to the contract Documents, and when issued, will be sent to the Plan Holders list located in the electronic plan room at least twenty-four (24) hours before bids are opened*” and replacing with “*Every interpretation made to a Bidder will be in the form of an Addendum to the contract Documents, and when issued, will be sent to the Plan Holders list located in the electronic plan room at least seventy-two (72) hours before bids are opened.*”

2. Revise SS-700 Snow Removal Equipment (Snowplow Vehicle with Deicer Equipment):
 - a. Revise paragraph 2.6.B Windshield by deleting “*and rear window wipers.*”
 - b. Revise paragraph 2.7.B by adding “*air band*” after “*tunable and programable.*”
 - c. Revise paragraph 3.3.B.1 by deleting “*The hopper shall be constructed of material selected to provide structural strength and long life when exposed to the specified chemicals used in snow and ice control*” and replacing with “*The hopper shall be constructed of stainless steel to provide structural strength and long life when exposed to the specified chemicals used in snow and ice control.*”
